To Whom It May Concern,

RE: Childminder Mrs. Tracey Cheney at

Tracey has been childminding my two children (Ian 5 years old and Isaac 4 years old) for 3 days a week for more than 2 and a half years since November 2016.

I have been very happy with the care my children have received and the progress my children have made whilst in Tracey's care. The quality and standards of the care are outstanding and my children love being with Tracey.

She is very experienced, competent, trustworthy, kind, patient and loves children. She provides a wide range of activities including plenty of outdoor exercise. She is very observant about children's development and she keeps me informed what my children like, what they are good at and which area needs improvement. She completes a diary detailing what my children have done each day which I can always chat about with my children. I am confident to say that being in such a positive and happy environment has helped our children develop confidence. Her home is always welcoming, clean and well organised. She ensures good personal hygiene for everyone and she provides high standard of cooking and range of healthy and nutritious food for the children.

I can say that I have been lucky to have Tracey as a childminder and I would highly recommend her as a great and reliable childminder.
